Asbestos containing materials

Esk Refuse and Recycling Centre and landfill is approved to accept non-workplace asbestos-containing materials transported by the general public from a domestic premises where less than 10 square metres of bonded asbestos-containing materials (ACM) is removed without the need for the person to hold a certificate to carry out the removal under the **Workplace Health and Safety Act 1995**.

Council is unable to accept ACM at Coominya, Harlin or Kilcoy Refuse and Recycling Centres.

Asbestos can only be accepted subject to the following procedures being undertaken:-

埠 Either –

- a) Double wrapped in plastic sheeting that is at least 0.2mm thick and sealed with adhesive tape; or
- b) Double bagged in plastic bags that are at least 0.2mm thick, and no more than 1200mm long and 900mm wide, and sealed with adhesive tape; and

埠 Labelled with a warning that is clearly visible and states that –

埠 The packaging contains asbestos; and

埠 Damage to the packaging and dust inhalation should be avoided.

Examples of warning –

- “Caution – Asbestos”
- “Do not damage or open bag”

- “Do not inhale dust”
- “Cancer and lung disease hazard”

Please note - Only domestic loads of asbestos can be accepted up to 10 square metres. Loads that are greater than this are classed as commercial loads and cannot be accepted.

Building materials / concrete

All building materials / concrete over one cubic metre in volume must be transported to Esk Refuse and Recycling Centre and landfill for disposal.

Regulated waste containers

Containers only are accepted when they have been triple rinsed as per ‘The Agsafe Standard for Effective Rinsing of Farm Chemical Containers’. No liquid waste can be accepted.

DrumMuster

All empty drums plastic or metal that have been previously used to hold household, farm or commercial chemicals can be brought to the DrumMuster yards at Council’s Refuse and Recycling Centres.

All drums brought in for collection and recycling must be triple rinsed inside including lids and threads.

Please ensure also that the drums are clean on the outside, allowed to drain and air dry so that they contain no rinse water. Unclean or partly filled containers cannot be accepted and must remain the property of the chemical user, not the Council.

To use this facility at the Esk Landfill, prior arrangements should be made by telephoning Council’s Waste Management Officer on 0407 575 874 (8.00 a.m. to 3.30 p.m. Monday to Friday) to arrange an appropriate time for delivery.

There is no cost for disposal at Esk, Coominya, Harlin or Kilcoy provided all drums have been cleaned correctly.
