Location and Brief History

Somerset Regional Council was formed on 15 March 2008 following the amalgamation of Esk Shire and Kilcoy Shire Councils.

Somerset Regional Council has a Mayor and six (6) Councillors, each elected by their constituents and serving a four (4) year term.

This regional local government is an hour west of Brisbane and is the fastest growing local government area in south-east Queensland. It has strong agricultural, environmental, heritage and tourism values. It contains important vegetation and forest, areas of high scenic and landscape amenity and significantly, the key water catchments for southeast Queensland.

The Somerset region includes the five major townships of Esk, Fernvale, Kilcoy, Lowood and Toogoolawah. The region is home to approximately 25,000 people and is expected to grow to an estimated 34,500 by 2031. Somerset's neighbouring local governments are Lockyer Valley, Ipswich City, Brisbane City, Moreton Bay, Sunshine Coast, Gympie, South Burnett and Toowoomba.

Somerset Regional Council's logo represents the region's two major dams, with the larger body of water representing Wivenhoe and the smaller body being Somerset. The overall shape of the icon with the water flowing from Somerset to Wivenhoe creates the shape of a clear "S", which uniquely identifies this water graphic to be that of Somerset Regional Council.
