

Brisbane Valley Highway pavement strengthening works

Dear Resident,

The Department of Transport and Main Roads (TMR) advises that access to Linkes Lane from the Brisbane Valley Highway will be temporarily closed to traffic to enable pavement strengthening works at this location.

These works form part of TMR's ongoing commitment to improve road conditions, enhance ride quality and reduce future maintenance requirements.

Linkes Lane will be closed from Monday 24 August 2026 for approximately eight weeks, weather and construction conditions permitting.

During the closure, detour signage will be in place to guide motorists. Traffic travelling to Toogoolawah will be detoured via Old Mount Beppo Road, rejoining the Brisbane Valley Highway north of the closure. Access to Esk will be maintained via Mount Beppo Road and the Esk-Kilcoy Road.

If you have any specific circumstances that may be affected by the temporary closure, please contact the TMR project team:

Phone: (07) 5451 7055

Email: northcoast@tmr.qld.gov.au

We appreciate your patience and cooperation while these works are carried out. Please allow additional travel time and follow all signage and traffic control measures in place for your safety and the safety of our workers.

All information contained in this communication is accurate at the time of distribution. However, works and dates are subject to change due to circumstances outside of the Department of Transport and Main Roads' control.
