Dust Nuisance Log Sheet

Environmental Nuisance – *Environmental Protection Act 1994*

Instructions for completing dust log sheets

The *Environmental Protection Regulation 2008* requires certain information to be gathered to provide evidence of unlawful environmental nuisance. This monitoring program contains the minimum information required by Council and may be required as evidence in court. This record should be filled in whenever there is noise emitting from the property of which is referred to in the complaint.

1. Please write your full name, the date and sign the completed page where indicated.
2. **Date** – the date that the dust emitting equipment was being utilised.
3. **Observed time and duration** – the time you noticed the dust, and the length of time in which you experienced the dust. For example you can give times such as “First noticed dust from the motorbikes at 5pm and was still occurring when I left at 7pm”.
4. **Emission source** – what equipment was generating the dust.
5. **Observations** – What did you see when the dust was occurring? Record what you saw.
6. **How does it affect you?** - How does the dust make you feel? Were you required to take action? (e.g. go inside, close windows move to another room etc)
7. **Comments** – provide us with any other information that you think is important and record it in this part of the monitoring record sheet.
8. Please attach additional sheets if needed to record a minimum of 14 days worth of data recordings.
